

GCE/GCSE subjects recognised for NUI matriculation purposes.

Subjects listed below are recognised for the purpose of NUI matriculation.

See NUI Matriculation Regulations p.11 and 14.

Unless otherwise indicated only one subject from each group may be presented.

Applied A Level subjects are not recognised for matriculation purposes.

AS Level Subjects are marked with a*

Mathematical Subjects

Permissible combinations of mathematical subjects are set out on the grid below e.g. Mathematics (Applied & Statistics A) may be presented with either Mathematics (Further A) **or** Mathematics (Pure A) but not with any of the other mathematical subjects. It is important to note that not more than two subjects from the Mathematics/Statistics categories may be presented in combination.
